We warmly welcome you to Pliable’s mobile COVID-19 vaccination clinic at The Northwest School on May 17, 2021. Pliable LLC is a nurse practitioner-led organization for mindfully-driven healthcare. In alignment with Washington State Department of Health’s (DOH) equitable COVID-19 vaccine distribution strategies, our goal has been to equitably and compassionately serve those communities disproportionately impacted by COVID-19 and help fill in vaccine access gaps.

This vaccination event is ONLY administering the Pfizer-BioNTech COVID-19 vaccine. This is a two-dose vaccination series. This clinic is for 1st doses ONLY on 5/17/21. You will automatically be registered for your 2nd dose at the same place/time on June 7th 2021.

Please read the CDC and WA DOH information regarding COVID-19 Vaccinations and Pfizer-BioNTech and have your questions answered BEFORE REGISTERING. Resources can be found at:

For resources on side effects and post vaccination expectations:

By proceeding and scheduling online you are consenting to the following terms below as the patient or surrogate decision maker for the patient, including minors.

- I certify that I am/my child is at least 12 years of age.
- I understand it is not possible to predict all possible side effects or complications associated with receiving the Pfizer COVID-19 vaccine.
- I understand the Food and Drug Administration (FDA) has authorized the emergency use of this vaccine, which is not an FDA approved vaccine in this patient population. I understand the nature, alternatives, benefits and risks of vaccination, to the extent they are known at this time.
- I am encouraged to sign up with v-safe: https://vsafe.cdc.gov/
- I acknowledge that I have been advised to remain near the vaccination location for observation for 15 minutes after administration, 30 mins if I have a prior history of allergic reactions to vaccines.
- I give my consent to Pliable LLC, including licensed employees, volunteers, and partners, to administer the Pfizer-BioNTech COVID-19 vaccine as described above.
- I authorize and understand Pliable LLC may be required to or may voluntarily disclose my vaccine-related health information to my insurance plan, state or federal registries, and/or other public health authorities, for purposes of payment or health care operations.
- I understand that I am not creating a patient relationship with Pliable LLC by participating in vaccination. I understand Pliable LLC is not acting as my medical provider. Vaccination does not replace treatment by my medical provider. I agree I will seek medical advice, care and treatment from a medical provider if I have questions or concerns, or if I experience side effects.
- I have been provided expectations for the day of my vaccination.
- I acknowledge that I have read the Pfizer-BioNTech Fact Sheet and agree to these terms and conditions.

Please note that for this vaccine, a recipient cannot have gotten another vaccination within 14 days or after the COVID-19 vaccine.

**On the day of your appointment:**

- Registration and attestation serves as consent. Minors will NOT need to bring a formal signed parental consent on day of clinic.
- **Due to social distancing guidelines and building capacity, guardians are respectfully asked to remain outside- there will be ample recovery space outside should you wish to join your minor for the 15 minute waiting period.**
- Vaccination is available regardless of your citizenship or immigration status.
- If you have insurance, please include this information during your online registration. Insurance is NOT required, you will not be billed, the vaccination is FREE TO ALL. Insurance will cover administrative costs if available.
- Wear a short-sleeved shirt or clothing that allows access to your upper arm.
- Masks are required at all times at the clinic. If you do not have a mask one will be provided to you.
- Please arrive no earlier than 10 minutes prior to your scheduled appointment time. Appointment cannot be guaranteed if you arrive late.
- Do not visit the site if you are experiencing symptoms of COVID-19 on the day of your appointment.
- If you have a history of serious allergic reactions (anaphylaxis) and are prescribed an epinephrine auto injector (Epipen, etc) please bring this to your vaccination appointment and notify clinical staff.

**HAPPY VACCINATION DAY!**
